State of New York Department of Education
Health Assessment Record

To Parent or Guardian,

In order to provide the best education experience, school personnel must understand your child's health needs. This form requests information from you (Part I) which will also be helpful to the health care provider when he or she completes the medical evaluation (Part II).

State Law requires complete primary immunization and a health assessment y a legally qualified practitioner of medicine, an advanced practice nurse or registered nurse or registered nurse, a physician assistant or the school medical advisor prior to school entrance in New York. An immunization update and additional health assessments are required in the 10th or 11th grade. Specific grade level will be determined by the local board of education.
